REVISED VERSION OF 11 MARCH 2022
(AGENDA ITEM 7.1)

INVITATION

Wednesday, 23 March 2022

Swiss Prime Site, Olten, 16.00

Dear Shareholders,

Unfortunately, the current situation regarding the COVID-19 pandemic once more does not allow us to hold our Annual General Meeting in the conventional way.

In accordance with the Swiss Federal Council's COVID-19 Ordinance 3, the Board of Directors of Swiss Prime Site AG has decided to also hold the 2022 Annual General Meeting without shareholders being physically present.

Accordingly, shareholders can only exercise their shareholder rights via the independent proxy, Paul Wiesli, barrister-at-law, Advokatur Paul Wiesli, Untere Brühlstrasse 21, P. O. Box, CH-4800 Zofingen.

The Board of Directors has taken this decision with great regret, but considers this step the only way to protect the health of all concerned. The safety of our shareholders and our employees comes first.

The Board of Directors of Swiss Prime Site AG

The original of this invitation to the Annual General Meeting is written in German. The original German text is the effective official version.

After the Annual General Meeting, this notice to creditors will be published three times in the Swiss Official Gazette of Commerce. Creditors may submit their claims within two months of the date of the third publication of the notice to creditors and request that they be satisfied or secured. The decrease in share capital may only be carried out after the two months have elapsed and once any registered claims have been satisfied or secured. Subject to these conditions, repayments to the shareholders are planned to be distributed on 13 June 2022 in the amount of CHF 1.675 gross per registered share entitled to dividends. * This amount is based on the 76718604 registered shares issued as of 10 February 2022 and the stock of 655 treasury shares. In the event of share conversions from the outstanding convertible bonds or changes in the number of shares held by the Company, this amount will be modified accordingly when the distribution is made.

6

Change in registered office

The Board of Directors recommends that the Company's registered office be moved from Olten in the Canton of Solothurn to Zug in the Canton of Zug and that Article 1 para. 2 of the Articles of Association be amended as follows (*changes in blue/italics*):

Previous version of Article 1 para. 2

New version of Article 1 para. 2

² The Company's registered office is in Olten/SO.

² The Company's registered office is in *Zug/ZG*.

The Company's new address is Alpenstrasse 15, 6300 Zug.

Explanatory note

Moving its headquarters to Zug will enable Swiss Prime Site AG to focus its activities on Zurich, Zug and Geneva following the acquisition of the Akara Group. This will result in significant operational efficiencies and will strengthen its presence in the commercially attractive location of Zug.

7

Partial revision of Articles of Association

7.1 Lowering of the threshold for convening a General Meeting and putting items on the agenda

The Board of Directors recommends that the threshold for convening a General Meeting be lowered from ten to five percent of the share capital or voting rights and that the threshold for putting items on the agenda be set at **0.25%** of the share capital or voting rights.

Article 9 paras. 3 and 4 of the Articles of Association will be amended as follows (*changes in blue/italics*):

Previous version of Article 9 paras. 3 and 4

³The Board of Directors shall issue an invitation to an Extraordinary General Meeting within six weeks if shareholders who represent at least ten percent of the share capital request in writing that a meeting be convened, stating the agenda items and the proposals. In particular, such shareholders are entitled to request that the Board of Directors calculates and presents the Company's or Group's net asset value (NAV) during the General Meeting.

⁴Shareholders representing shares with a nominal value of half a million Swiss francs may demand that an item be put on the agenda. This demand must be made in writing, specifying the agenda item and the proposals, no later than forty days before the date of the shareholders' meeting.

New version of Article 9 paras. 3 and 4

³The Board of Directors shall issue an invitation to an Extraordinary General Meeting within six weeks if shareholders who represent at least *five* percent of the share capital *or voting rights* request in writing that a meeting be convened, stating the agenda items and the proposals. In particular, such shareholders are entitled to request that the Board of Directors calculates and presents the Company's or Group's net asset value (NAV) during the General Meeting.

⁴Shareholders representing shares with a *minimal nominal value of 0.25% of the share capital or voting rights* may demand that an item be put on the agenda. This demand must be made in writing, specifying the agenda item and the proposals, no later than forty days before the date of the shareholders' meeting.

Explanatory note

The Board of Directors is of the opinion that the thresholds for convening a General Meeting and putting items on the agenda should be voluntarily amended now in line with the revised provisions of the Swiss Code of Obligations that will enter into force on 1 January 2023. Lowering the thresholds will strengthen shareholders' participation rights and reflect good corporate governance.

7.2 Defining a basis for adopting resolutions about the report on non-financial matters

The Board of Directors recommends that a basis be defined for adopting resolutions for the General Meeting about the report on non-financial issues.

The Board of Directors therefore recommends that Article 8 sec. 4, 10 para. 5 and 34 of the Articles of Association be amended as follows (*changes in blue/italics*):

Previous version of Article 8 sec. 4

4) Approval of the annual management report and consolidated financial statements;

New version of Article 8 sec. 4

4) Approval of the annual management report and consolidated financial statements, *and the Compensation Report and report on non-financial issues*;

Previous version of Article 10 para. 5

⁵ The Annual Report, Compensation Report and corresponding audit report, the auditor's report and the group audit report must be made available to the shareholders at the Company's registered office no less than 20 days before the Annual General Meeting. The invitation to the Annual General Meeting must refer to this fact and to the right of every shareholder to request that copies of these documents be sent to them.

New version of Article 10 para. 5

⁵ The Annual Report, the Compensation Report and the corresponding audit report, *the report on non-financial issues*, the auditor's report and the group audit report must be made available to the shareholders at the Company's registered office no less than 20 days before the Annual General Meeting. The invitation to the Annual General Meeting must refer to this fact and to the right of every shareholder to request that copies of these documents be sent to them.

Previous version of Article 34

The Board of Directors produces a business report for each financial year that comprises the annual financial statements (consisting of the income statement, the balance sheet and notes), the annual/management report, the consolidated financial statements and the Compensation Report.

New version of Article 34

The Board of Directors produces a business report for each financial year that comprises the annual financial statements (consisting of the income statement, the balance sheet and notes), the annual/management report, the consolidated financial statements, the Compensation Report *and the report on non-financial issues*.

Explanatory note

The provisions about reporting on non-financial issues came into force on 1 January 2022. Given the significance of ESG principles for the Company, the Board of Directors proposes to account for these in the Articles of Association now, thereby creating the basis for voting on the report about non-financial issues at the next Annual General Meeting.

7.3 Removal of the provisions about contributions in kind and transfers of assets

The Board of Directors recommends that Article 3 paras. 3, 4 and 5 be removed, as the provisions have been in the Articles of Association for more than 10 years and no longer serve a purpose.

Previous version of Article 3 paras. 3, 4 and 5

New version of Article 3 paras. 3, 4 and 5

³As part of the planned capital increase of SPS Immobilien AG, the Company intends to issue 855 000 registered shares at the nominal value of CHF 200.– each, for the issue amount of CHF 222.22 (rounded to the nearest centime) and as part of the planned capital increase of SPS Immobilien Residenz AG, to issue 67 500 registered shares at the nominal value of CHF 200.– each, for the issue amount of CHF 222.22 (rounded to the nearest centime). The subscribed shares will be paid up in cash for the total of CHF 205 000 000.

Deleted

⁴In accordance with the contribution in kind agreement dated 29 May 2009 between the Company and Pelham Investments AG, Baar, the Company receives from Pelham Investments AG 625 688 registered shares in Jelmoli Holding AG with a nominal value of CHF 10.– each at a value of CHF 424.24 each (rounded). In turn, Pelham Investment AG receives 4 480 000 fully paid-up registered shares in the Company with a nominal value of CHF 18.80 each.

⁵In accordance with the contribution in kind agreement dated 23 October 2009 between the Company and Credit Suisse, Zurich, acting in its own name but on behalf of the tendering shareholders of Jelmoli Holding AG, Zurich, the Company receives from Credit Suisse – in its own name but on behalf of the tendering shareholders of Jelmoli Holding AG – 2 955 502 registered shares in Jelmoli Holding AG with a nominal value of CHF 10.– each at a value of CHF 444.03 each (rounded). In turn, Credit Suisse receives for the benefit of the tendering shareholders of Jelmoli Holding AG 24 235 116 fully paid-up registered shares in the Company with a nominal value of CHF 18.80 each.

7.4 Removal of the provision about the conversion of registered shares

The Board of Directors recommends that Article 3 para. 2 of the Articles of Association be removed due to the amendment of 1 November 2019 to Article 622 para. 1 of the Swiss Code of Obligations, whereby bearer shares are only permitted if additional information and documentation are provided.

<u>Previous version of Article 3 para. 2</u>	<u>New version of Article 3 para. 2</u>
² If the Articles of Association are amended, the Annual General Meeting can convert registered shares into bearer shares, or vice versa, at any time.	Deleted

Explanatory note

There is considered to be little need for a listed company to convert registered shares into bearer shares; for this reason, deleting the right to convert the form of shares is in shareholders' interests.

8

Approval of the remuneration for the Board of Directors and the Executive Board

Under Articles 29 and 32 of the Articles of Association of Swiss Prime Site AG, each year the Annual General Meeting of shareholders has a binding vote on the maximum overall compensation paid to members of the Board of Directors and the Executive Board for the current financial year.

The Board of Directors recommends that compensation to its members up to a maximum of CHF 1 800 000.00 be approved for the 2022 financial year.

Fixed compensation	CHF 3 400 000.00
Variable compensation ¹	CHF 3 400 000.00
Social security contributions ²	CHF 1 500 000.00
Total³	CHF 8 300 000.00

¹ Maximum variable compensation, including cash bonus, assuming the maximum payout on all performance objectives is achieved and that the maximum Performance Share Unit award is earned. The amount stated here takes no account of changes in the share price during the vesting period (the period between the grant date and the date the shares are definitively transferred to the plan participant).

² This comprises projected employer social security contributions (based on the maximum amounts above and the value of the Performance Share Units at grant date), statutory employer contributions to the occupational pension scheme and other compensation components.

³ Includes a contingency reserve of approximately 3% for each compensation component to cover unforeseen eventualities. The compensation actually paid will be reported in the 2022 Compensation Report and submitted to a consultative vote by the shareholders at the next ordinary Annual General Meeting.
